

TRANSPORTATION FEES

Because the cost of providing student transportation exceeds funding provided by the state, the Board of Trustees finds it necessary to charge fees for home-to-school student transportation.

The Superintendent or designee shall annually submit proposed transportation fee schedules for Board approval. Fees shall be determined on the basis of operating costs in accordance with law.

No charge shall be made for any transportation of students whose individualized education program requires transportation or whose parents/guardians are determined indigent pursuant to administrative regulations.
