

ABSENCES AND EXCUSES

BP 5113 (a)

The Board of Trustees believes that regular attendance plays a key role in student achievement. The Board recognizes its responsibility under the law to ensure that students attend school regularly. Parents/guardians of children aged six to 18 are obligated to send their children to school unless otherwise provided by law. The Board shall abide by all state attendance laws and may use appropriate legal means to correct the problems of excessive absence or truancy.

(cf. 5112.1 - Exemptions from Attendance)

(cf. 5112.2 - Exclusions from Attendance)

(cf. 5121 - Grades/Evaluation of Student Achievement)

Excused Absences

Absence from school shall be excused only for health reasons, family emergencies and justifiable personal reasons, as permitted by law, Board policy and administration regulations. (Education Code 46010, 46010.5, 48205)

(cf. 6154 - Homework/Makeup Work)

Insofar as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during nonschool hours.

At the beginning of each academic year, notifications shall be sent to the parents/guardians of all students and to all students in grades 7 through 12, informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian. (Education Code 46010.1)

(cf. 5145.6 - Parental Notifications)

Students should not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or confidential medical appointment.

Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to administrative regulations and law. (Education Code 46014)

Unexcused Absences/Truancy

The Superintendent or designee shall implement positive steps to reduce truancy, such as communication with parents/guardians and the use of student study teams.

ABSENCES AND EXCUSES (continued)

(cf. 5147 - Dropout Prevention)

(cf. 6164.5 - Student Study Teams)

(cf. 6176 - Weekend/Saturday Classes)

The District participates in the school attendance review board as allowed by law in order to meet the special needs of students with school attendance or school behavior problems.

Students who are habitual truants or habitually insubordinate or disorderly during attendance at school may be referred to the county probation department.

When the student's attendance problems cannot be resolved or the student and parent/guardian have failed to respond to directives to correct the problem, a student who has been classified as truant may be referred to the District attorney or probation officer for truancy mediation.

When the student's attendance problems cannot be resolved or the student and parent/guardian have failed to respond to directives to correct the problem, the school attendance review board or probation officer may ask the County Superintendent of Schools to request a juvenile court petition on behalf of the student.

For purposes of the CalWORKS program, a student shall be determined to be "regularly attending school" until he/she has been referred by the school attendance review board to the county District Attorney.

A student's grades may be affected by excessive unexcused absences in accordance with Board policy.
