Business and Noninstructional Operations
BP 3260 (a)

The Board of Trustees desires to furnish books, materials and instructional equipment as needed for the educational program. Because District needs must be met with limited available funds, the Board may charge fees when specifically authorized by law.

The District shall consider the student and parent/guardian's ability to pay when establishing fee schedules and granting exceptions.

The Governing Board recognizes its responsibility to ensure that books, materials, equipment, supplies, and other resources necessary for students' participation in the educational program are made available to them. No student shall be required to pay any fees, deposits, or other charges for his/her participation in an educational activity which constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities.

(Education Code 49013)

(cf. 1312.3 - Uniform Complaint Procedures)

The Superintendent or designee shall include information in the annual notification required by 5 CCR 4622 to be provided to all district students, parents/guardians, employees, and other interested parties about the requirements relating to the prohibition against districts requiring students to pay fees, deposits or other charges in order to participate in an educational activity, unless authorized by law, and the filing of complaints for alleged violations using the uniform complaint procedures.
